A Message from our Principal

Again it is time to bid adieu to our Graduating Class. Each year we work hard to prepare our senior pupils for their final examinations and to enter the adult world. We also face the sadder task of saying good bye to pupils whom we have come to know well, to appreciate, and to respect.

Eastglen's graduating classes have grown in size every year, and this year's class is no exception. However, the size of a graduating class in no way detracts from the importance of being a member of one. Graduation year remains as one of the big milestones in each pupil's educational life.

May I be excused if I remind the graduands of the truth that what you carry away from Eastglen will be in direct proportion to what you put into your years here. You will find little or no satisfaction unless you have worked consciously and consistently to achieve your goals. This is as true of school as it is of the working world.

I would not like the above remarks to be construed as meaning that Eastglen pupils do not achieve educational satisfactions. This is far from the case. Each year I am more forceably impressed with the fact that our pupils exhibit a fine sense of responsibility and self-confidence, a knowledge of what they wish to do, and a determination to achieve their goals. There is ample justification for having such worthy aims when you realize that the opportunities are just as great today as they ever were for the person who is ready and willing to seize them—there is just as much room at the top as there ever was.

I wish to thank the Graduating Class and their officers, the Students' Union and its representatives, for the splendid cooperation they have given this year. It has been a pleasure working with and for you. Your fine sense of loyalty and cooperation have been appreciated by all of us. We wish you every success in the years ahead, and trust that your memories of Eastglen will be as pleasant to you as our memories of this year's Graduating Class will be to us.

EDITORIAL

Peter Ward

What is a yearbook? Dictionaries say it is an annual publication produced as a record of a school year. To us a yearbook is much more. It is a record of our activities; it is a chronicle of our achievements; it is a treasure chest of memories worth more than a 14 carat diamond; it is the remains of our youth.

The Blue and Gold is not for the present, but for the future. It is meant to be enjoyed five or ten or even twenty years from now. Think ahead to 1971 . . . 1981 . . . You pick up the Blue and Gold and suddenly begin to relive these pleasant days. You will think of our year plays and what successes they were; you will think of our championship junior football team; you will remember your favorite teachers; you will recognize old friends, many of whom you haven't seen these past twenty years.

Skip through the yearbook, read the editorial, and see if I am not right. Look at the pictures of the Grad Dance and Exercises and remember how proud, pleased and happy you were. Glance at the Club's pictures, and there you are on the end of the middle row of the Badminton Club or the Curling Club or the Gazette staff. Scan the team pictures and remember how close your house came to winning the houseleague basketball championship. Look at some of our more candid shots. Remember: the bewildered Frosh during Welcome Week, how neat everyone looked on dress-up day, the long line-ups in the cafeteria.

There is one word which always comes to mind when you read a yearbook—
remember. Little do we realize that these are the best years of our lives. We shall grow older and conform. We shall begin new and very different lives. But if we treasure our yearbooks we shall always have memories of the time when we were young and "all the world was our oyster." This yearbook is to help you remember.

Therefore I say to you: take care of your yearbook. Dust it often. Read and re-read it until its pages are worn thin. Someday the Blue and Gold will be all that is left of your youth.

MR. DON RAINE

If we were given one word with which to describe the life of Don Raine, that would need to be "Devotion." He was devoted to his God, his Church, his wife and his teaching responsibilities. At an early age he consecrated his life to the service of God, and felt that his class-room relationship with young people was a means of service. To serve acceptably he prepared for his life's work by laying careful scholastic foundations. He graduated from the High School of Canadian Nazarene College at Red Deer and went on to complete his education at the University of Alberta from which institution he was graduated just a year ago. His parents were unable to render much financial assistance to him in receiving his education, and he is exemplary of the sort of achievement which young people may realize through their own strenuous effort.

Although a very busy person, Don somehow managed to find time for the things of God, for he was persuaded that if he kept God first in his life, the other material aspects of life would fall into their rightful place. In following that program for his life he took an active part in the leadership of his church. He was a member of the First Church of the Nazarene, where he served as member of the Board of Trustees, Chairman of the Church School Board, and sang in the church choir.

Just prior to the time of the accident in which he was killed, Don was actively planning to participate in the organization of the Edmonton Youth for Christ.

Although removed from the scenes of life prematurely, his life has left an impact amongst his associates which will no doubt carry well beyond this generation.

MR. ROY BASTIAN

In April of this year, our head caretaker passed away. Mr. Bastian came as head caretaker from Virginia Park in 1956. During the intervening years he amply proved, in every way, his efficiency and devotion to duty. His willingness to meet the requests of teachers and students, the care and attention he lavished on the school, and his fair and impartial treatment of his colleagues endeared him to everyone.

Mr. Bastian had past experience as a coal miner in Clover Bar, and during World War II was a trades sergeant in the Air Force. He had been a hockey player, and kept alive his keen interest in most athletics. His passing is keenly felt by all with whom he associated.

HONOURARY PRESIDENT'S MESSAGE

G. KOLOTYLUK

One of the many factors that has made my life at Eastglen very pleasant has been my association with the grade XII students. I have an especially warm spot in my heart for the Grad Class of '61, because I have enjoyed your co-operation, your effort and your friendliness, and I have appreciated the privilege of being your Honorary President.

Graduation is a happy occasion. It is the reward for honest effort which opens the door to a new experience and to a new challenge. How you meet this challenge will depend on how well you have mastered the basic essentials that are required for further study and education. Your parents and your teachers have given their utmost to give you a good start in life. The teachers at Eastglen are proud of your achievements, for you have done well in academic work, in athletics and in other extra-curricular activities.

Your future looks bright and full of promise. In every field of endeavor there is an urgent need for well educated young people. In the field of arts there is a movement to develop a distinct Canadian culture which will need people possessing different talents. In the field of science the atom is revealing more secrets every day and the interstellar space is beckoning. The present is truly an inspiring and a challenging age, and with wisdom great things may be achieved.

Eastglen has done its best for you. Go forward with confidence and keep your thinking straight. To all of you, our thanks, and our best wishes for the future.

VALEDICTORY

AUBREY TINGLE

Graduation marks the end of over a decade of school life. During that period we have always looked towards Grade 12 as a summit to strive for. But today we have reached the summit and we must look forward to new goals.

"The rung of a ladder was never meant to rest upon, but only to hold a man's foot long enough to enable him to put the other somewhat higher."

And so it is with Graduation. For Grade 12 does not mark the end of education for any of us. It may mean the close of our formal learning, but true education never ends. Education is not only the mastering of certain given facts, but more important it is the acquisition of the ability to differentiate between the relevant and the irrelevant, the significant and the insignificant; the ability to think critically and draw one's own conclusions, and the ability to express oneself effectively.

Graduation is the time for paying tribute to those people whose efforts have made possible our presence here tonight. I am referring to our parents—whose support and guidance throughout the years is deeply appreciated by all of us, and to our teachers—whose unstinting and conscientious labors on our behalf demand a great debt of gratitude. We only hope that we may be deserving of the faith they have placed in us.

It is difficult to realize that in a few short weeks we shall be leaving Eastglen, perhaps to continue our education at University, perhaps to take our place in the business world. Whatever we may do, we shall always look back upon our days at Eastglen with fond remembrance and recall the friendships and pleasant times we had there.

"We cannot say the fire is out while there is still an ember And nothing can be really lost while we can still remember Ties are broken and along strange pathways we are led But while our friends return in thought No friendships can be dead."

GRADUATING EXERCISES

The 1961 Graduation Exercises were held in the Eastglen auditorium on May 5, with Mr. McLean as chairman. The program opened with the processional of the graduates, followed by the Invocation by Rev. G. C. Bressee of St. James Anglican Church. After Mr. McLean introduced the honored guests, Ken Dewar gave the Grad Class History. Linda Warner gave a vocal solo, accompanied by her cousin, Phillip. After this lovely interlude Mr. L. Wendt presented the graduates with their certificates. Ken Dewar then introduced the class Valedictorian, Aubrey Tingle. Aubrey's fine address was followed by a piano solo by Cheryl Jones. The main speaker of the evening was Dr. M. E. Lazerte, former Dean of Education at the U. of A. In his informational and inspirational talk he gave many tips to students entering the business world or university. The evening finished with "God Save the Queen" and the recessional of the graduates.

"Rhapsody in Blue"

The banquet and dance, "Rhapsody in Blue" was held the following evening at the Jubilee Auditorium. During coffee, which followed a delicious turkey dinner, Class President Peter Ward introduced Mr. G. Kolotyluk, the Honourary Grad Class President, and Shirley Ewasiuk, who gave the Grad Class Prophesy. Elwood Johnson gave the toast to the school, and Sandra Beavis, the toast to the Grads. Entertainment was provided by Diane Licsko, who sang two songs, and John Lewis, who presented two selections on the organ.

"Rhapsody in Blue" itself followed the banquet. High spot of the evening was the Virginia Reel, in which everyone joined enthusiastically. The 1961 Grad Dance was a great success, thanks to the careful planning by the Grad Council, the efforts of Mr. Dymianiw, who was master of ceremonies for "Rhapsody in Blue," and the co-operation of all members of the 1961 Graduating Class.

Class President's Message

The 1961 Graduation Class Council was elected in mid-January, and immediately it set to work to plan the Banquet and Dance. During February, jewelry was sold under the direction of Jim Side. A proposal to hold the Banquet and Dance in the gymnasium was rejected by the Graduating Class. Early in March the school blossomed with posters advertising the forthcoming event. The Publicity Committee under the direction of Clive Russell provided very imaginative and entertaining posters. Headed by Diane Holloway, the Social Committee planned and executed a banquet and dance that will long be remembered by the Grads of '61.

I would like to thank warmly those who contributed their time and energy towards making this seventh annual Eastglen Graduation the success it was. May it be a lucky seven for every grad.

KEN DEWAR President

ALEX SEMENIUK Vice-President

Eastglen is about as friendly a school as one can find. I think the chief reason is this: practically everyone you greet SMILES, and there is nothing more conducive to a friendly atmosphere than a sincere smile.

There comes to mind a pamphlet I once read written by Dale Carnegie, world famous authority on human relations, public speaking, and leadership training. Mr. Carnegie condensed into six rules his prescription for making friends.

In rule one he says that one should cultivate a genuine interest in other people. That is, go out of your way to do things for other people — things that necessitate time, energy, unselfishness, and thoughtfulness. The second rule is simply "smile". He tells us in number three to bear in mind that to a man his name is the sweetest and most important sound in the English language. You don't believe it? Try it sometime. Rule four is something you have heard often with regard to good conversation: "be a good listener." Encourage others to talk about themselves. He states in the fifth rule that we should speak in terms of the

other man's interests. The sixth and last is, in my opinion, the paramount rule, the rule most likely to bring results. If you want to make people like you instantly, make the other person feel important - and do it sincerely. Benjamin Disraeli, a former Prime Minister of Great Britain, once said, "Talk to a man about himself, and he will listen to you for hours."

Our school's friendly spirit contributed greatly to making the recent school year the success it was. School spirit reached a new high and has promise of increasing. Treasurer

Treasurer

There were more clubs formed this year than during any other year in the history of Eastwood-Eastglen. Sports have done remarkably well, with players displaying a high degree of ability and sportsmanship.

The co-operation of everyone has made it an extreme pleasure to serve as your President for 1960-61. I would like to thank the Council, the Students' Union as a whole, and especially the Executive for the enthusiastic support you gave to school activities. I would also like to thank Mr. Deane and Mr. Brown for their much-needed advice and guidance throughout the year. I believe 1961's Graduating Class has left its mark, and I sincerely hope that the school will rise to greater heights in the years to come.

WINNER TOUSE ONE

SENIOR FOOTBALL

Although Eastglen possessed one of the smallest teams, the desire to win and the spirit of the club molded it into one of the top competitors in the league. The senior team started the season brilliantly by overpowering St. Mary's 26 to 1. The strength of Eastglen this year stood on its nearly impregnable defence which allowed an average of only 5 points per game. Eastglen's standing: 3 wins, 1 tie and 2 losses, was not indicative of team play and the fact that, with a few breaks, the Devils could have led the league. Combined with the outstanding skill the team showed, their fine display of sportsmanship was a credit to Eastglen.

The success of Eastglen this year depended on the excellent coaching of Mr. Munroe and Mr. Switzer.

Front Row:- Nick Pulos, Jack Barrigan, Larry Chaney, Joe Dann, Malcolm Greenlees, Fred Masky, Ron Douglas, Wayne Carlson, Brian Lamarre. Centre Row:- Mr. Switzer, Lindsay Tanton, Ken Maudie, Norm Kilarsky, Ken Anderson, Dave Gourlay, Ernie Sigaty, Bill Woywitka, Wayne Thirlwell,

Back Row (to wall):- Roy Mullett, Ed Friss, Dave Berg, Doug Milne, Albert Shaw, Stan Hayden, Gary Addley, Don Berg, Dale Johnson, Albert Cleveland, Lorne Armstrong, John Heard, Mr. Munro. Absent: Allan Orr, Jim Williams.

JUNIOR FOOTBALL

Starting the season with the right foot forward by defeating St. Mary's, City Co-Champions of 1959-60, by a score of 13 to 0, was one of the most exciting events in Eastglen's Junior Footboll history. Our team rolled over the opposition to return the city championship to Eastglen for the third time in the last six years.

Through the brilliant efforts of our two young coaches, new to East-glen football, and the enthusiasm of the boys, Eastglen developed the most impressive and powerful offensive unit in the league. The defense was strong, a considerable threat to the league.

In the second last game of the schedule, Eastglen suffered a beating from St. Joseph's by the wide margin of 32 to 7. They bounced back to trounce Victoria Comp. 44 to 0. Then they went on to avenge their loss to St. Joseph's by beating them 22 to 0. This last win against St. Joseph's brought the Championship Cup back to Eastglen where it belongs.

Congratulations go to a team most deserving of the title. And we extend a special vote of thanks to the coaches Mr. J. Hudson and Mr. B. Hudson for turning out a real championship team.

Front Row left to right: Norman Simpson, Lorne Oxmitny, Fred Carmicheal, Victor Melnyk, Helmet Herder, Charles Chapa.

Centre Row:- Warren Haverlack, Richard Antoniuk, Nick DeHoog, Wayne Meir, Jim Bilski, Ray Dadra, Gary Carson, Gary Lefebvre
Back Row, (to wall):- Mr. B. Hudson (coach), Garry Luck, Gary Draeger, Stan Heard, Ken Derback, Frank Narrow, Roy Westbrook, Jim Gilbert, Gordon Payne, Doug Kelly, Ian McKay, John Baungartner, Ernie Rachnistruk, Mr. Joe Hudson (coach).

Missing:- Ken Signet. Missing:- Ken Sigaty.

Second Row:- Fred Carmichael, Albert Shaw, Stan Hayden, Bill Illerbrun, Gary Addley, Edward Friss, Ernie Sigaty, Mr. Monroe.

SENIOR BOYS'

BASKETBALL

The 1960-61 team proved the statement, "An Eastglen senior basket-ball team will never make the city finals," a fallacy. Not only did this year's team enter the finals but they almost emerged as city victors. The senior basketballers combined aggressiveness in defense, accuracy in shooting, fine ball handling on offense and determination in will to achieve this high standing. The senior Blue Devils won eight out of ten games, capturing 499 points and allowing only 373 points. This earned them second place in the eight team schedule. The members of the team displayed spirit, drive and sportsmanship both on and off the court — a credit to Eastglen.

The Eastglen team was fortunate to have Mr. Monroe as their coach, who combined the individual talents into team play. Through him the team achieved this outstanding goal.

However the oft hard quotation above still haunts the Senior Blue Devils basketball team. Wait till next year!

Front Row:- Bruce Allison, Dennis McMinn, Ken Watson. Second Row:- Bryan Parker, Jerry Lack, Bob Ainsworth, Bill Bonk, Ray Eliuk, John Vanzwoll, Mr. Blacklock.

JUNIOR BOYS'

BASKETBALL

One more year of basketball has passed, and again our Junior team has come just short of winning the title. The Junior Blue Devils started the season with a solid 34-26 win over Ross Sheppard. They continued at this pace, holding first place in the league until mid-way through the season. It looked as if the championship was right at their feet for the taking; Eastglen was the power of the league. Shortly after Christmas, they lost a few valuable players, but took the loss in stride. Advancing to the semi-finals, they met a very strong opposition by the name of the Ross Shep Thunderbirds. It was here that the boys' playoff hopes were strangled by a top-notch squad. The result of the game, played on our home court, was a very convincing 50-32 win for Ross Shep. For the season as a whole, the the Juniors turned in a very creditable average of 10 wins and 3 losses. Congratulations to the team for their great sportsmanship showed throughout the season. Special thanks is extended to Mr. Blacklock for his excellent coaching.

SENIOR GIRLS' BASKETBALL

Eastglen's Senior Girls' Basketball team ployed a long and successful season. They began with an exhibition game against Ponoka and finished in the finals, defeating Bonnie Doon 19 to 18. This is the second successive year the girls have brought the Hudson's Bay trophy to Eastglen.

The captain of this outstanding team was Daryl Adams and the manager was Kathy Thompson. High scorers for the season were Daryl Adams, Gail Draeger and Cheri Belanger.

Sincere thanks and congratulation are extended to the coach and sponsor, Mrs. Shapka, whose time and effort in training the girls led to their success.

JUNIOR GIRLS' BASKETBALL

Under the management of Sharon Russell and the coaching of Miss Huestis, the Eastglen Junior basketball team played seven league games.

Their vivid spirit resulted in four wins and contributed to their placing third in the Inter-school league.

Special thanks go out to Miss Huestis for her time and patience with the team. The team Captain was Sharon Busby and high scorers were Sharon Busby, Cassie Chucklinski, Rossi Archibald, and Alice Cowling.

We hope to see these girls playing for the Senior girls next year once more displaying such fine sportsmanship.

SENIOR GIRLS' VOLLEYBALL

This year's Senior Girls' Interschool Volleyball team got their season off to an early start. Under the capable coaching of Miss Huestis, they played 14 games; winning 8 and losing only 6. Although they did not place first this year they displayed true sportsmanship and fairplay.

The captain of the team was Gail Draeger and the manager was Pat Brooks. Special thanks from the team go to Miss Huestis for her time and effort.

JUNIOR GIRLS' VOLLEYBALL

In November, under the direction of Mrs. Shapka, the Junior Girls started off their volleyball season. Rosemary Masichuk was the team's manager.

Captained by Sharon Licsko, the team played five games and came in Third in the city play-offs.

Many thanks go out to Mrs. Shapka for her helpful coaching in teaching the girls not only volleyball techniques but fine sportsmanship.

The aim of the Girls' Archery Club is to promote interest in archery as a sport, and to teach the girls various skills in the field of competitive shooting with a bow and arrow. At their meetings every Thursday at

noon in the Archery Range the girls shoot with standard bows and arrows at the two foot targets which were 50 feet from the shooting line, but were moved to 60 feet in the middle of February. The Girls' Archery Club consisted of 25 paid members, and the fees are used to buy new equipment such as arrows as replacements for those broken during the course of shooting. Club interest runs broken during the course of shooting. Club interest runs high because their is a certain amount of competition amongst the members as their scores are recorded every

The Boys' Curling Club again enjoyed a very successful season and curled every Tuesday at the Thistle Curling Club. Mr. Taschuk did an excellent job of sponsoring the forty-eight members. After the Christmas holidays the twelve regular rinks were divided into "A" and "B" sections on a win-loss basis. The winner of "A" section was a rink skipped by Len Karran and of "A" section was a rink skipped by Len Karran and

included Dave Stephen, Dave Smith and Gary Niven; while a rink skipped by Malcolm Barr and including Dennis McMinn, Jim Hemchuk, and Brent Pickard took the "B" section title. These two teams played off to determine the champion with the "A" section winners emerging victorious.

Mr. Taschuk also coached the team Eastglen entered in the Taylor and Pearson playoffs. The team, skipped by Stan Bladon and including Jim Wright, Malcolm Barr, and Dave Smith, lost the last two games, on the final stone in each case, to be eliminated.

Among the many clubs which are organized in our school each year the Library Club is unique. It is established on a continuing service basis with the sole aim of maintaining the best possible circulation of books and other materials from the library. The forty members

who comprise the Library Club meet at 3:40 p.m. in the library on the second Wednesday of each month. Special events of the 1960-61 session have included a guest-speaker at the November meeting and a Christmas party which replaced the regular December meeting.

Several members had the special opportunity of taking a privately conducted tour of the Rutherford Library during Varsity Guest Weekend.

As a feature of the March meeting the programme committee invited a speaker who discussed the career possibilities of library work. Non-member Students who had professed an interest in the topic were invited to attend the meeting.

In recognition of their very important contribution to school life the members of the Club's sister organization of Library Assistants are awarded pins and year awards at the close of the spring term.

The aim of the Eastglen Glee Club is to create an appreciation of music through the enjoyment of singing. The club learns, rehearses and presents to the school and community various mixed choir selections throughout the year. The club presented a Christmas Concert on December 15, in which the orchestra and choral classes also participated. A Spring Concert was also presented during 1961 on May 10 on the Fine Arts Evening.

Club membership is approximately sixty singers. Their rehearsals are held every Tuesday and Thursday; Tuesday being reserved for separate practice, and Thursday being for the full mixed group. The singers meet in the music room from 12:00 to 1:00.

Miss Paush instructs and conducts the group during rehearsals and during any concert of the Glee Club. Mr. Anderson very kindly gives up some of his noon hours on Tuesdays to give a hand to Miss Paush in the separate practices.

The special event for the Glee Club this year was their participation in the Annual Rectory Christmas Carol Festival in December, 1960.

Retrospect (opposite): Retrospect is a looking back upon the year's activities. This plate suggests the varied directions through which the students of Eastglen gain social and cultural enrichment.

IN RETROSPECT

As one thinks back over the past year, he cannot help but feel a bit nostalgic. The year was full of interesting activities and new experiences.

The first event of the term was Welcome Week, culminated by a dance on the Friday night. Do you remember when the halls were swarming with bewildered Frosh wearing Blue and Gold beanies, and after that how difficult it was to get down to the business of schoolwork? But school life returned to normal and the whirl of studies, exams, dances, athletic activities, and Dress Up Days soon brought the year to its end.

For the entertainment of the students during the noon hour, the Glee Club put on a concert in December. Evening performances of both year plays proved again that Eastglen is able to produce top-fright drama. Day-time diversions included Dress Up Days, a band concert, U.N. Day, Career Day and the various club activities of the school.

But oh, the night life! The Social Committee, aided by the Publicity Committee, put on four very successful dances: Freshmen's Frenzy, Kickapoo Krush, Donder's Blitz, and St. Patrick's Prom. And what Grad will ever forget Rhapsody in Blue?

Sports again brought glory to Eastglen and enjoyment to the spectators.

not return to Eastglen and we hope that this yearbook will be a source of enjoyable reminiscence. and fond recollections over the years to come.

WELCOME

Welcome Week, a program instituted last year to aid the Freshmen in understanding the workings of our high school, proved again to be very successful. It took place during the first week of September, and for that week the "Frosh" were obligated to wear the Blue and Gold beanies similar to those worn by last year's grade tens, and by several enthusiastic team supporters at the senior games. During the noon hours staff administration members, the Student's Union Executive, and club representatives spoke to the Frosh, explaining Eastglen's organizations and administration. The Welcome Week Committee provided entertainment in the form of a fashion show (the do's and don'ts of school apparel) and a Kangaroo Kourt. They also set up information tables throughout the school to help students find their way around. Most students, particularly the Freshmen — who were guests of honor — attended a dance, Freshmen's Frenzy, on the last night of the week.

W E E K

Eastglen students observed United Nations Day, although officially October 24, on October 27. The five delegates to the Banff School of Fine Arts United Nations Summer School spoke on various aspects of activities there. Aubrey Tingle was chairman of the assembly. John Lewis informed students of the work being carried out by Edmonton U.N. Clubs, the UNICEF "Hallowe'en Shellout" and the newly-formed organization UNEDAS. Daug Mulholland and Laurie Becker discussed the lectures given by the four professors at Banff. Ken Dewar, the representative sponsored by the student council outlined the recreational activities of the two-week seminar. Guest speaker was Dr. C. F. Bentley, Dean of the Faculty of Agriculture at the University of Alberta, whose topic was the "Importance of the United Nations in the World Today."

DAY-OCT. 27

"THE DIARY OF ANNE FRANK"

By Frances Goodrich and Albert Hackett

On December 1, 2 and 3 the Eastglen Drama Department, under the direction of Mr. M. Porsca, presented "The Diary of Anne Frank." The play, produced by Mr. M. O'Brien, was the most well-presented and the most well-received yearplay Eastglen has known. The members of the cast, including Moushie the cat, acted their parts realistically and professionally. The set, sound effects, and lighting added to the play's realism. Recordings of Anne reading from her diary which played during and between scenes enabled the technical crew to make stage changes smoothly and efficiently. The cast and crew must be complimented for a job well done.

"IF I WERE KING"

By Justine Huntly McCarthy

On March 2, 3 and 4 the Eastglen Drama Department, under the direction of Mr. O'Brien, presented "If I Were King," a romantic comedy. Set in 15th century France, the story is about Francois Villon, an adventurer who becomes king for a week. The luxurious settings and charming costumes transported the audience right into a mediaeval court. Lighting and sound effects were used to good advantage also. Congratulations and thanks to Mr. O'Brien, the stage crew and the cast for the very fine performances.

Because the cast for this play was quite large, only the major actors can be mentioned below.
